Public Health Committee

H.B. No 5326- An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Meredith Maynard

Members of the Public Health Committee,

My name is Meredith Maynard and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326- An act concerning compassionate aid in dying for terminally ill patients.

I recently completed a presentation with a fellow classmate on the subject of Euthanasia and Assisted Suicide. Having done extensive research, I strongly oppose this bill. God created us and brought us into this world, therefore He alone has the power to take us out of this world to spend eternity with Him in Heaven. The terminally ill should be given comfort measures but should die a natural death when it is their time to go. Thank you.

Sincerely,

Meredith Maynard
